EDUCATION

The Ohio State University **2029**
Bachelors, Computer Science and Engineering (GPA: 3.1)
  •**Achievements:** Morrill Scholar, STEM EE Scholar, SHPE General Body Member, Global Leadership Center General Body Member

Hamilton High School **2025**
High School Diploma (GPA: 4.0)
  • **Achievements:** Honor Roll Fall of 2022-Spring of 2023, 98th percentile of the National Merit Scholarship Program, Top Scholar

Butler Tech D. Russel Lee **2025**
Vocational/Technical School, Information Technology (GPA: 4.0)
  •**Achievements:** Honor Roll Fall of 2023-Spring of 2025, CTSO Vice President/Reporter for IT, Campus Leader, Student Ambassador

PROFESSIONAL EXPERIENCE

The Ohio State University | *IT Analyst* **Jan 2026 - Present**
  •Diagnosing and debugging complex issues across Windows, macOS, and mobile environments to restore system functionality.
  •Managing the lifecycle of technical requests via "dispatch" queues to ensure efficiency within a high-volume service environment.
  •Administering and troubleshooting multi-factor authentication (MFA) and secure access protocols to protect sensitive institutional data.

ACE Care Tutor **Jan 2026 - Present**
  •Provide technical mentorship for introductory Computer Science courses focusing on core programming principles and software logic.
  •Facilitate specialized tutoring for Trigonometry and Calculus by translating advanced concepts into digestible logic for peer learners.
  •Lead instruction for Fundamentals of Engineering, guiding students through engineering design and computational problem-solving.

Butler Tech D. Russel Lee | *IT Student* **Aug 2023 - May 2025**
  •Executed over 200 hours of practical technical tasks including PC builds/repairs, network operation support, and RAID configurations.
  •Studied hardware (A+), software, and networking fundamentals to build a foundation in IT, essential for supporting project completion.
  •Coordinated project management activities, facility tours, and weekly team meetings to align collaborative IT facility operations.

City of Hamilton/CHIPs | *Intern* **Jun 2024 - Aug 2025**
  •Prioritized and resolved IT departmental requests across city departments to ensure operational efficiency and project completion.
  •Enhanced customer satisfaction by ~5% through bilingual English & Spanish communication, assistance, and front-desk support.
  •Collaborated with the Health Department to develop, iterate, and improve upon bilingual MyPlate curriculum based on team feedback.

SKILLS & LANGUAGES

  • **Programming Languages:** Python (PCEP Certified), C#, Java (Object Oriented Programming), HTML5, CSS3, JavaScript (ES6+)
  • **Tools & Technologies:** Microsoft Office Suite, AWS Cloud Foundations, Git/GitHub (Version Control), Godot Engine, ProPresenter
  • **Core Competencies:** Data Structures & Algorithms, Software Component Logic, Debugging, Responsive Web Design, Unit Testing
  • **Technical Skills:** PC Repair & Assembly, Soldering, Network Cabling, RAID Configurations, Multi-Factor Authentication (MFA)

PROJECTS & RECOGNITION

  • **SHALOM Nonprofit Website | Lead Developer**: Developed a responsive and accessible website using HTML5, CSS, and JavaScript to improve user engagement, streamline site navigation, and optimize donation workflows for a local nonprofit organization.
  • **Interactive Application & Video Game | Lead Designer**: Engineered and presented an original, functional video game using the Godot engine and GDScript, advancing to the state-level SkillsUSA Ohio competition for technical excellence in application design.
  • **Butler Tech Barrier Breaker | Featured Student**: Selected as one of two students from a pool of 500 to represent the institution in a local magazine, advocating for diversity in STEM and sharing personal insights as a first-generation Latina in the engineering field.
  • **Butler Tech Campus Ambassador | Elected Representative**: Elected by a peer body of 500 students to represent the campus through student panels, staff meetings, and facility tours, serving as a liaison between the student body and school administration.

EXTRACURRICULAR

Casa De Restauracion | *Kids/Youth President* **Mar 2021 - Aug 2025**
  • Directed organization and planning for community kids/youth events while also managing sounds systems and visual operations.
  • Facilitated Sunday school classes to impart core values while coordinating logistics for various church-related programs/services.

Hamilton High School | *NHS/Student Council Member* **Sep 2022 - May 2025**
  •Managed a $30,000 budget allocation for school organizations and executed multi-channel fundraising campaigns for the arts program.
  •Collaborated with a team to brainstorm fundraising goals and managed product advertisements and sales to meet the financial goals.
